## BID NOTICE TN021/2023

### ELECTRIFICATION OF 157 HOUSES IN LOUISEVALE TOWN, UPINGTON

Bids are hereby invited for the supply and installation of electrical connections in Louisevale Town. This tender comprises inter alia the following Works:

- Supply, delivery and installation of:
  - medium voltage underground infrastructure, including 11 kV cable feeders, miniature substation(s), etc.
  - low voltage underground infrastructure, including low voltage cables, streetside kiosks, etc.
  - underground consumer connections.
  - consumer installations, including split pre-payment metering, etc; and
  - associated works
- Testing, commissioning and handing over of completed infrastructure, including documentation
- Planning, implementation and management, including formal reporting, of the construction works

Tender documents and specifications are available from BVi Consulting Engineers, 55 Bult Street, P.O. Box 1155, Upington, at an amount of **R500,00** in cash or electronic transfer per document, payable to BVi Consulting Engineers. This amount is non-refundable. Tender documents will be available for purchase from **Friday 23 June 2023 @ 11h00**.

Sealed tenders marked, "**CONTRACT TN048/2022: ELECTRIFICATION OF 157 HOUSES IN LOUISEVALE TOWN**" must reach the Municipal Manager or be placed in the tender box at the municipal offices before or on **Friday, 07 July 2023 at 14:00** and will be opened directly thereafter in the Councillor Chambers at the Municipal Offices.

A compulsory site inspection will be held at **11:00** promptly on **Friday, 23 June 2023** at the offices of **Council Chambers**. The doors will be locked at **11:00** promptly after which no further Tenderers will be allowed. The Certificate that the Tenderer has visited the site will at the same time be signed by the Engineer. For further information, contact the Consulting Engineers, at telephone number (054) 337 6600.

Only representatives of the Tenderer will be allowed in the tender meeting who is:

- a) In full time/ part-time employment of the bidder
- b) Has the adequate experience to comprehend the scope of works

The following conditions will apply including the Conditions of Tender or Tender Procedures contained in the Tender document: These documents **must be attached** to the bid form. Bids not containing these documents will be deemed as incomplete and result in non-responsive:

1. Prices must be valid for one hundred and twenty (120) days from tender closing date.
2. Prices quoted must be inclusive of VAT. The Form of Offer must be properly and fully completed.
3. A firm delivery period must be indicated on the Form of Offer. Bidders are required to provide a realistic construction period, taking into account long lead delivery time items.
4. The tender document must be completed on the original tender document. Copies of the tender document or parts thereof will render the document non-responsive.
5. Bids that are late or non-compliant will not be considered, whilst the lowest or only bid will not necessarily be accepted. Bids submitted per fax, electronically or by e-mail will not be considered for award or acceptance.
6. Bids will be evaluated in accordance with the applicable Preferential Point Scoring System as set out in the Councils Supply Chain Management Policy. The following forms: MBD 1, MBD 4, MBD 6.1, MBD 6.2 including Annexures C, D & E, MBD 7.1, MBD 8 and MBD 9 must be completed and submitted with the bid.
7. Only tenderers with **CIDB Grading of 5-EP** or higher are eligible to submit offers for this Tender.
8. B-BBEE points shall be allocated if the following is attached to the bid document:
  - 8.1 a certified copy of the Tenderer's B-BBEE certificate. The B-BBEE certificate will only be accepted if the verification agency is accredited by South African National Accreditation System (SANAS); or
  - 8.2 an original Sworn Affidavit
  - 8.3 A copy of a DTI BBBEE certificate must be attached to the bid document.
9. The following documents are compulsory to be included with the tender submission and failure to submit the documents will render the bidder's bid non-responsive
  - 9.1 Contractor registration and grading issued by the Construction Industry Development Board (CIDB) with unique registration number
  - 9.2 Letter from SARS including access PIN to validate TAX clearance and VAT registration shall be submitted with the tender offer.
  - 9.3 Tenderer must be registered at the National Treasury's Central Supplier Data Base (CSD) and proof must be submitted.

9.4 Letter of good standing in respect of Compensation for Occupational Injury and Disease from the Compensation Commissioner.

Contract number: TN021/2023 Electrification of 157 Houses in Louisevale Town

**Contractor Witness for Contractor Employer Witness for Employer Page 6 of 128**

9.5 Municipal account for Tenderer's office premises, which is not older than 3 months, and not in arrears for more than 3 months on date of submission.

10. The following compulsory documents must be submitted with the bid document and failure to submit the documents will render the bidder's bid non-responsive:

10.1 Proof of current and valid registration (i.e. original or certified copy of membership confirmation letter or the registration certificate) at the National Bargaining Council for the Electrical Industry of South Africa (N.B.C.E.I).

10.2 Proof of current and valid registration with the Department of Labour as an Electrical Contractor in terms of the Occupational Health and Safety Act, 1993, Electrical installation Regulation No. 6(4) (i.e. original or certified copy of registration certificate from the Department of Labour)

10.3 Certified copy of the intended Electrician's Wireman's Licence as issued by Department of Labour. The intended electrician must be registered for three-phase type works.

10.4 Certified copy of designated personnel member's (preferably the intended Electrician) training and certification to work on Medium Voltage networks up to 11kV as per ORHVS Regulations.

10.5 Certified copy of valid registration with the SACPCMP as a Construction Health and Safety Officer's (CHSO). Candidates for registration as CHSO will not be accepted in this regard.

10.6 Certificates of completion and/or practical of completion certificates for electrification projects accumulating to at least 1500 houses in the last 5 years. The certificates must indicate the number of connections and the value of the contract specifically attributed to the Tenderer for that project, even if the project work was performed by the Tenderer under a sub-contract for or in joint venture with others.

11. Where certified copies of documents are required for inclusion in the tender submission, such certification must be of an originally certified copy of the original document, with certification dated within three months prior to closing date of the tender. Copies of previously certified copies of documents will be deemed non-compliant.

12. Functionality criteria and evaluation will be applied to this tender. Tenderers scoring below the stipulated minimum scoring requirement will not be considered for award or acceptance.

13. Where applicable, a duly completed and signed Joint Venture agreement must be submitted with the tender submission. Additional Joint Venture documents must be submitted as per Tender data.

14. Penalties will be applied for late completion of the Works according to the formula stated in the contract data.

15. Minimum threshold for local content:

15.1 Electrical cables 90%

15.2 Transformers 90%

15.3 Steel Value-added Products 100%

15.4 Primary Steel Products 100%
